

# HIDDEN ASSETS

## *Executive Producer, Writer/Director & Producer*

### **Constance Wodlinger**

Executive Producer of *Hidden Assets* and CEO of WorldMark Entertainment, Wodlinger has owned several broadcast stations and developed, launched and operated three 24-hour music and entertainment cable networks for domestic and international distribution. Wodlinger's companies have produced more than 60,000 hours of original programming that have been seen all over the world including Europe, Asia, Africa, The Pacific Rim, Middle East, South America & the United States. She has been featured on the *NBC Today Show*, *CNN*, *ABC Business World*, *Prime Time Live*, *Entertainment Tonight* and been interviewed by dozens of magazines including *Fortune*, *Time*, *Variety*, *Billboard*, and *Vogue*. Over the course of her career, Wodlinger has been awarded more than 100 gold and platinum records and was a founding member of the Rock and Roll Hall of Fame.

### **Jacqueline Journey**

Writer/Director Jacqueline Journey has been the Executive Producer, Producer and/or Director of hundreds of hours of original live concerts, documentaries, television programs and commercials that have been seen in all corners of the globe. Several of these were award-winning series featuring legends and celebrities like Dennis Quaid, Willie Nelson, Billy Bob Thornton, Juliette Lewis, and Taylor Swift. Journey is also an accomplished actress, portraying Karen Stark on NBC's *Friday Night Lights*. She has appeared in several independent films and hosted numerous music and entertainment series, some of which were internationally syndicated. Journey has also interviewed hundreds of musicians & celebrities and successfully trained many aspiring talents to be their best in front of the camera. She was previously Vice President and Executive Producer of M\*E Television in Austin Texas, a partnership with Time Warner. Her latest endeavor is making her first film, *Hidden Assets*, come to life for release in 2015.

### **Dean Lyon**

Producer Lyon has 25+ years experience in collaborating with cutting-edge directors, studios, production companies, post-production facilities and technology developers throughout the world. His career has included roles as Producer, Director, Visual Effects Supervisor and CEO, leading innovative work in diverse areas as motion pictures, music videos, commercials, interactive TV, theme park attractions and VFX/CGI. Lyon was elected to the Visual Effects Society (VES) in Hollywood in 2004 for recognition of his work on the *Lord of the Rings* trilogy (VFX Supervisor, Oktobor), and VFX Supervisor roles on *Without a Paddle*, *Spooked* and *Bogeyman*.
